or return written application and payment to the address below.

To assist with budgeting for 2019, we kindly request that full payment is made in early January. If required, payment plans are available, as outlined on the following page. These are structured so that CNPA receives most of its dues in the first six months of the year, as the majority of lobbying, legal, and administrative costs must be paid at this time. Because of this, we appreciate your choosing the shortest payment plan that you can manage!

Note: There is an increase in dues when payment plans are used (except Supporting and Leader Categories), and these dues MUST be paid by credit card. Checks accepted for payment in full.

Thank you for your continued support through membership and active participation with CNPA!
